EDUCATION

Bachelor of Science in Computer Science

September 2024

Pamantasan ng Lungsod ng Maynila, Intramuros, Maynila

EXPERIENCE

GDSC Web Dev Volunteer

September 2021 - June 2024

Pamantasan ng Lungsod ng Maynila

- Learned and practiced software used in web development.
- Attended multiple webinars regarding web development.
- Assisted in events hosted by GDSC.

Graphic Artist / UI/UX - Intern

March 2023 - May 2023

LuponWXC, General Trias

- Designed captivating graphics for match publications, effectively conveying key moments and highlights to the audience, resulting in increased engagement and shares on social media platforms.
- Created visually appealing thumbnails for YouTube channels of esports players, optimizing click-through rates and enhancing brand recognition across various gaming communities.
- Participated in the UI/UX redesign of the company website, focusing on improving navigation, readability, and overall user experience for esports enthusiasts and visitors.

Web Development - Intern

July 2023 - August 2023

TVCXpress Manila, Makati City

- Created UI/UX designs, crafting intuitive and visually appealing interfaces that enhance user engagement and satisfaction.
- Conducted comprehensive user research to identify user needs, preferences, and pain points, informing design decisions and optimizing user flows for maximum usability.
- Developed wireframes, mockups, and prototypes using industry-standard tools such as Figma, facilitating feedback and iteration cycles to refine design concepts iteratively.
- Performed usability testing to evaluate the effectiveness and accessibility of web interfaces, gathering feedback and insights to drive continuous improvement and refinement of design solutions.

SKILLS

- Front-end Web Development (ReactJS, NodeJS, HTML, CSS, SQL)
- UI/UX Design
- Image Editing
- Video Editing
